

# END USER SERVICES

## Common Pain Points

- ▶ Desire of leadership to gain understanding of overall end-user processes and enterprise viewpoint
- ▶ Reorganization, mergers, acquisitions, or divestitures
- ▶ Need to define opportunity for consolidation or optimization of IT
- ▶ Financial justification

## Benefits

- ▶ Thorough understanding of their end-user environment's true technical, business, and financial current state
- ▶ Identification of potential options for short and long term cost savings
- ▶ Strategy which meets all client requirements
- ▶ A comprehensive, unbiased, strategic roadmap to implement changes

Our End User Services helps clients identify opportunities for consolidation, reorganization, and optimization of their IT.
